Mayor

Please find included the Burnside Bridgehead concept drawings which were presented at the last Citizen Advisory Committee (CAC) held on July 11 as well as the meeting notes. We are sending the concept drawings to you via hard copy due to the size of the electronic files. You may download these images from PDC's website at: www.pdc.us/ura/centraleastside/burnside-bridgehead.asp.

Bruce A. Warner
Executive Director

As discussed at the CAC meeting last week, the concept drawings represent design work that is currently in-progress and subject to modification. Your feedback will help refine the design of the Burnside Bridgehead project. We will continue to review and discuss the evolving project design with you at future CAC meetings.

Provided below is a legend for interpreting the land uses proposed on the concept drawings.

Yellow = Residential (market rate)

Orange = Residential (affordable)

Turquoise = Office

Blue (lower levels on NE 2nd Avenue) = Flexible Office

Purple = Parking (above-grade)

Red = Retail
