

Waterfront Park, Ankeny Plaza, and Street Improvements

Stop and Talk #3: Saturday Market – June 9, 2007

Compiled Public Comments

- Will Burnside Bridge gutter system be improved?
- Is the information tent an Easy-Up? Needs to be more substantial.
- I don't want to see more crowding for people who bike/jog/walk on the waterfront. And I don't want to see the waterfront look like another brand Baltimore/South Street Seaport clone.
