## **Committee Charge**

**Advise Portland Development Commission (PDC) staff and the project consultant team in defining a development strategy for the North Old Town / Chinatown area that is:**

- **Reflective of the area's opportunities and challenges; and**
- **Supported by the Old Town / Chinatown community and property owners.**

**Stakeholder Advisory Committee members are asked to provide two-way communications with the groups and constituents they represent, and make best efforts to attend all committee meetings.**
