## PUBLIC COMMENT SOUGHT ON 2010-13 REGIONAL FLEXIBLE FUND ALLOCATIONS

Metro and the Joint Policy Advisory Committee on Transportation will be seeking public comment on the allocation of regional flexible funds to be programmed in the 2010-13 Metropolitan Transportation Improvement Program. About \$46.14 million is available to apportion among selected regional projects and programs, and about \$21.65 million for local projects. Metro received 26 competitive applications for local projects totaling \$58.52 million in requested funding. Public input is vital to informing the final project list and allocation decisions.

The formal comment period will open at noon on Oct. 13, 2008 and close at noon on Dec. 1, 2008. A basic list of projects and programs will be posted on the Metro web site at [www.oregonmetro.gov/regionalflexiblefund](http://www.oregonmetro.gov/regionalflexiblefund) on Sept. 11, 2008. More detailed project descriptions with an online comment form will be posted on Oct. 13, 2008, when the comment period opens. You may submit comments online or by e-mail, U.S. mail or fax anytime during the public comment period, or at any of the public listening posts listed below.
