Mission: To bring together resources to achieve Portland's vision of a sustainable community with healthy neighborhoods, a vibrant urban core, a strong regional economy and quality jobs and housing for all citizens.

Vision and Strategy: We will leverage PDC's resources and innovative capacity systematically and selectively to become the Portland region's housing, economic development, and public development agency of choice. We will do this by providing service and product leadership to current and potential customers and generating "top line" for city government. This includes building the organizational foundation, work environment, and incentives that will support this vision.
